A ONE OF A KIND LED TECHNOLOGY  
WITH HINTS OF TRADITIONALITY

PANASONIC  
LED FILAMENT  
LAMPS

# THE EXCLUSIVE UNION OF TECHNOLOGY and *Design*

---

As the design trends change, new lighting solutions to meet new needs are also arising. Panasonic LED Filament Lights, create a new slate in design by combining traditional lamps that create a warm ambiance, with superior LED technology and productivity.

Homes, cafes, restaurants, hotels... Those who wish to bring their environment to a whole with a hint of nostalgia achieve their desired effect with Panasonic LED Filament Lamps created by the power of design and lighting technology. On top of that, they bring productivity to the highest level with the solutions presented by the Panasonic technology.

# ELEGANT DESIGN SUPERIOR

- Equal light distribution with 360° lighting
- Long life up to 15.000 hours with excellent light output
- Exact switch opportunity with incandescent lamps
- Superior energy efficiency up to a value of 118 Lm/W
- Clear and gold color options

**Panasonic LED Filament Lamps, providing an amazing retrofit solution to traditional lamps, create the ideal environment for decorative implementations with A60, C35, ST64 and G95/G125 models.**

Its nostalgic aura changes the energy of every environment. Brings energy to the environment by making the decoration more remarkable while increasing the appeal of designs.

With the color options of clear and gold, it offers different alternatives suitable for every style. Especially the golden filament lamp, which draws attention with its warmer color temperature, creates an ultra-comfortable and cozy atmosphere, while making the environment extra decorative.

Classic and Candle lamps are preferred usually in chandeliers and hanging lights at houses, while the Retro and Glob lamps are preferred in hanging lights at cafes and restaurants.

Keeping up with the new generation and bringing lighting beyond being a mere need, Panasonic LED Filament Lamps are waiting for you, ready to create one of a kind environments.

## A60 Classic Filament Lamps

Product Code	Product Description	Out Put (W)	Equivalent Out put (W)	Socket	Operating Voltage (V)	Color Rendering Index (Ra)	Color Temperature	Lumen (lm)	Efficiency Factor (lm/W)	Old Energy Class	New Energy Class	Light Angle	Height (mm)	Diameter (mm)	Life (L70B50)	Quantity in the Box
